But a year or so later he saw Diamond out in the back garden with his playmate Rose. The children were squatting on their haunches, heads close together, laughing. Something intense or uncanny about them made him pause at the window on the stairs landing and watch them. A thing between them was leaping up and down, a frog? a toad? a big cricket? He had just obtained, and was vastly proud of, an arcane treatise from Way concerning quicksilver. "Got that from under Losen's nose too," he said to Tern. "Come have a look at it!
