really know it We have a thousand theories about what they may be like, and I won't bore you with them yet, but this is one thing we do know. They can build anything they need, make a blueprint in DNA, encapsulate it in a spore and bury it, knowing exactly what will come up in forty thousand years. When it starts to get cold here and they know the cycle's drawing to an end, they seed the planet with the spores and ... do something. Maybe they die, or maybe they have some other way of passing the time. But they know they'll return..So Amos and Jack stood with the sun hi their eyes, and the great blustering North Wind squatted down to look at himself in the mirror. He must have been pleased with what he saw, because he gave a long loud laugh that nearly blew them from the peak. Then he leapt a mile into the air, turned over three tunes, then swooped down upon.As for the exception reports triggered by your schedule slippage, J.L. has signed off on the necessary forms to justify a new schedule. We have doubled the expected times required to complete phases four through seven. While this stretches out the predicted completion for Project 8723 by two years, we feel that you people are doing important work in other areas and should not be forced to produce a program of use only to those uptight jokers hi Accounting.
