The Chironian held his eye for a moment longer, and then nodded. "Very well." Inwardly Colman breathed a sigh of relief. The women were evidently willing to allow the man to speak for them too. Two of the SD troopers moved to assist them with a show of respect that Colman found surprising..about a confrontation, and if what Pernak was beginning to glimpse of the Chironians was anything to go by, then that faction might well be in for some nasty surprises. The soldiers, who had been drinking heavily, became angry and even more unpleasant, paying no attention to dour warnings from around the room. An argument developed, in the course of which Ramelly grabbed one of the women and handled her roughly. She produced a gun and shot him in the leg. There would probably have been no more to it than that if Wilson hadn't seized the gun and turned it on the Chironians who were about to intervene, at which point another Chironian had shot him dead from the back of the room.. "Grumbling, but not too bad. Any news from inside?" "Nothing yet. It's about time you took a breather. I'll be out in a few minutes to take a spell with Carson and Young. Tell Swyley and Driscoll to stand down with you. They've been out there the longest."."SD's," Swyley murmured, without moving his mouth. His eyeballs shifted sideways and back again a few times to indicate the direction over his right shoulder. A more restrained note crept into the place, and the atmosphere took on a subtle tension..
