"I wish my Rico could have met your Harrison, too," Maria told Grace, referring to the husband who had abandoned her. "Maybe the reverend could've done with words what I couldn't do with my foot in Rico's trasero." "As she comes closer to full term," said Dairies, "she's at great risk of preeclampsia developing into full eclampsia." This wasn't the same Enoch Cain whom Vanadium had known three years ago in Spruce Hills. That man had been utterly ruthless but not a wild, raging animal, coldly determined but never obsessive. That Cain had been too calculating and too self-controlled to have been swept into the emotional frenzy required to produce this blood graffiti and to act out the symbolic mutilation of Bartholomew with a knife. "So where he threw the quarter," Barty said, as Angel listened intently and nodded her head, "wasn't really into Gunsmoke, 'cause that's not a place, it's just a show. See, maybe he threw it into a place where I'm not blind, or into a place where he doesn't have that messed-up face, or a place where for some reason you never came here today. There's more places than anybody could ever count, even me, and I can count pretty good. That's what you feel, right-all the ways things are?" Another pocket. More cartridges. Trying to squeeze just two into the magazine, but his hands shaking and slippery with sweat. After Maria, Bonita, and Francesca had gone, when Agnes and her brothers joined forces to clear the table and wash the dishes, Barty kissed them good-night and retired to his room with The Star Beast. She was not going to be as forthright with Barty as she had insisted that Joshua Nunn be with her, in part because she was too shaken to risk forthrightness. He didn't want to risk marrying weapon and silencer here in the hall, where he might be seen. Besides, complications could arise from being splattered with Neddy's blood. Aftermath was disgusting, but it was also highly incriminating. For the same reason, he was loath to use a knife. At home again, in the safety of the family, Barty collapsed in exhaustion from the sustained effort to see with eyes that he didn't possess. Abed for ten days, feverish, afflicted with vertigo and migraine headaches, nauseated, he lost eight pounds before his recovery was complete. He closed his eyes to know the kitchen as Barty knew it. The fine aromas, the musical clink of spoons, the tinny rattle of pans, the liquid swish of a stirring whisk, the heat from the ovens, the women's voices: Gradually, denying himself sight, he was aware of his other senses sharpening. "Supposing he's senile, wouldn't he possibly think you were his long- lost brother or someone?" STILL WEARING HIS white pharmacy smock over a white shirt and black slacks, striding purposefully along the streets of Bright Beach, under a malignant-gray twilight sky worthy of a Weird Tales cover, with ominous accompanying rhythm provided by wind-clattered palm fronds overhead, Paul Damascus headed home for the day. Although the Rolex was expensive, Junior cared nothing about the monetary loss. He could afford to buy an armful of Rolexes, and wear them from wrist to shoulder. The muscles of his legs grew as hard as any of the landscapes that he trod. Granite thighs; calves like marble, roped with veins. At this extreme end of town, no streetlamps lit the pavement. With only moonlight to reveal him, he wasn't likely to be recognized if anyone happened to glance out a window. Tom Vanadium rose to his feet and, with one hand on Barty's shoulder, he surveyed the faces of those gathered on the porch. Most of these people were such new acquaintances that they were all but strangers to him. Nevertheless, for the first time since his early days in St. Anselmo's Orphanage, he'd found a place where he belonged. This felt like home. "We do look somewhat alike," Edom said, shifting his attention to Jacob's left ear. The most shameful thing Junior found was the "art" on the walls. Tasteless, sentimentalized realism. Bright landscapes. Still lifes of fruit and flowers. Even an idealized group portrait of Prosser, his late wife, and Zelda. Not one painting spoke to the bleakness and terror of the human condition: mere decoration, not art. "September 13, 1928. Lake Okeechobee, Florida. Two thousand people died in a flood." Junior closed his weary eyes and gratefully submitted as the paramedic wiped his greasy face and his crusted lips with a cool, damp cloth. Jacob Isaacson--twin brother of Edom--knew nothing negative about Panglo, but he didn't trust him. If the mortician had been caught prying gold teeth from the dead and carving satanic symbols in their buttocks, Jacob would have said, "It figures." If Panglo had saved bottles of infected blood from diseased cadavers, and if one day he ran through town, splashing it in the faces of unsuspecting citizens, Jacob would not have raisers one eyebrow in surprise. Choking fumes, blinding soot. A licking heat told him that slithering fire had followed the smoke up the stairs and now coiled perilously close in the murk. Instead of answering the question, meaning to imply that he believed Junior already knew the facts, Thomas Vanadium said, "I was able to get a warrant to search your house." Junior thought this must be a trick. No hard evidence existed to indicate that Naomi had died at the hands of another rather than by accident. When he held fast to his sanity, common sense eventually told him that the coin must have been left much earlier in the night, soon after he had set out for Victoria's house. In fact, in spite of the new locks, Vanadium must have stopped here on his way to see Victoria, unaware that he would meet his death in her kitchen--and at the hands of the very man he was tormenting. He first eased from aisle to aisle, but soon moved more quickly, convinced that the singer would be found beyond the next turn, and then the next. Was that her trailing shadow he had glimpsed, slipping around the comer ahead of him? Her womanly scent lingering in the air after her passage? hearts represented either a rival in love or a lover who would betray an enemy who would deeply wound the heart. The knave of diamonds was someone who would cause financial grief. The knave of clubs was someone who would wound with words: one who libeled or slandered, or who assaulted you with mean-spirited and unjust criticism. "Our little girl's going to walk backward her whole life if you drive in reverse all the way to the hospital." Vanadium understood the depth of his old friend's pain, and he knew that the anguish over the loss of a child could make the best of men act out of emotion rather than good judgment, and so he accepted Harrison's preference to let the matter rest. When enough time passed for reflection, what Vanadium ultimately decided was that of the two of them, Harrison was much the stronger in his faith, and that he himself, perhaps for the rest of his life, would be more comfortable behind a

badge than behind a Roman collar..Then came the Year of the Tiger, 1974. Gasoline shortages, panic buying, mile-long lines at service stations. Patty Hearst kidnapped. Nixon gone in disgrace. Hank Aaron toppled Babe Ruth's longstanding home-run record, and the inflation rate topped fifteen percent, and the legendary Muhammad Ali defeated George Foreman to regain his world-heavyweight title..WITH BRIGHT BEACH under assault by one miserable flu and by an uncountable variety of common colds, business was brisk this Monday at Damascus Pharmacy..In a pew in Old St. Mary's Church, in Chinatown, Junior took delivery of the lock-release gun and the untraceable 9-mm pistol with the custom-machined silencer, as previously arranged. The church was deserted at ten o'clock in the morning. The shadowy interior and the menacing religious figures gave him the creeps..If Agnes knew that Jacob had been helping her game, she might never play cards with him again. She would not approve of what he had done. Consequently, his great skill as a card mechanic must be forever his secret..Celestina told them about Nella Lombardi and about the message Phimie delivered to Dr. Lipscomb after being resuscitated. "Phimie was, . . so special. There's something special about her baby, too..".Having gotten the new roof for them at cost, Agnes subsequently put together donations from a dozen individuals and one church group to cover all but two hundred dollars of the outlay..The kids insisted on knowing what was meant by the line about the chicken, and this led to the laying of a coopful of Why-did-the chicken-cross-the-road jokes, which Edom and Jacob had memorized in childhood as an act of rebellion against their humorless father..Tom Vanadium was too unnerved by the Cain scare to be interested in the newspaper anymore. The strong black coffee, superb before, tasted bitter now..He was too sensitive a soul to be able to take either a handsaw or a power saw to a corpse..As instructed earlier by phone, Junior purchased a large box of Raisinettes and a box of Milk Duds at the refreshment stand, and then he sat in one of the last three rows in the center section, eating the Milk Duds, grimacing at the sticky noises his shoes made when he moved them on the tacky floor, and waiting for Google to find him..Ten months later, Simon called again, also regarding Cain, but this time the attorney was the client, and Cain was the target. What Simon wanted Nolly to do was strange, to say the least, and it could be construed as harassment, but none of it was exactly illegal. And for two years, beginning with the quarter in the cheeseburger, ending with the coin-spitting machines, all of it had been great fun..The beetle-green Pontiac waited in the driveway, with a shine that tempted nature to throw around some bad weather. Joey always kept a spotless car, and he probably wouldn't have had time to earn a living if he had resided in some shine-spoiling climate rather than in southern California..With her rock of faith under her, and breathing hope as much as ever, she was nevertheless unable to be as strong for him as she wanted to be. She felt her face go soft, her mouth tremble, and when she tried to repress a sob, it burst from her with wretched force..In a magazine article about the hero, passing mention was made of a restaurant where occasionally the great man ate breakfast..Munching an Almond Joy, Junior returned to the phone book, with no choice but to find Bartholomew the hard way..Dr. Zedd's death, just last Thanksgiving, had been a blow to Junior, a loss to the nation, to the entire world. He considered it a tragedy equal to the Kennedy assassination one year previous.. "I said it didn't work that way, and it doesn't. Yet ... I don't actually walk in those other worlds to avoid the rain, but I sort of walk in the idea of those worlds. . . ".His entire body throbbled from his neck to the tips of his nine toes. His legs were the worst, filled with hot twisting agony..Rising, Celestina said to Tom, "Last Tuesday night, we had to switch on the lawn sprinklers. This will be much better..". "What wound? Junior wanted to ask, but he recognized bait when he heard it, and he did not bite..Junior blinked and dared not speak, because he didn't know any Bartholomew, and now he was certain the cop was weaving an elaborate web of deceit, setting a trap. Why would he have spoken a name that meant nothing to him?.Retracing his path across the kitchen, he caught a faint whiff of jasmine from the backyard. Funny, jasmine here inside. Two paces later, he felt a draft..Turning in circles, he tipped his head back, presenting his face to the streaming sky, laughing.
