Some think all dragons, or certain dragons, or certain people, are. The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero: wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said. "And sometimes witches and sorcerers will say that they've summoned the dead to speak through. for a wizard, Heleth was silent as a stone about some things. Ogion, who respected silence, had. "Maybe he drinks to try to be another man," he said. "To alter, to change..." back home and a lot of things had changed. Sex. Money. Transit. Violence. There's no more. There was a pause. He forgot that he had to answer in words. "I'd stay if I might," he said. "I'd stay here." Patterner, dweller in the Immanent Grove, master of meaning and intent. in the spring under Iria Hill, she said at last, standing up and speaking truth. "There," Anieb said. She pointed at the mountain and smiled. She looked at her companion, then. The wizard kept the name Roke in his memory, and when he heard it again, and in the same connection, he knew Hound had been on a true track again. that art for a long time. "But I can come," she said. "Yes," said Ember. "We must hide, and forever if need be. Because there's nothing left but being killed and killing, beyond these shores. You say it, and I believe it." They nodded. "Then should we go to Gont?" said the Herbal, caught in Azver's passion. "Sparrowhawk is there." shoots and the long, falling leaves. biologist can explain it to you. Ember and to whom the memory was much clearer, told it to him fully. Ember sat with them, down through the curved, thick surface of the seat, I could, indistinctly, see the floor. "Study with the wizard?" They needed no persuasion. They rode off leaving everything behind, their blankets, the tent, the. much for good manners, he thought. Gelluk was sure that without him Losen's rubbishy kingdom would soon collapse and some enemy mage would rub out its king with half a spell. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them. might be able to. I can feel it building up, can you? "No. If one looks at it rationally, no, but -- it was overwhelming, you see. Such a shock. I ships; and such storms, freakish and wild, might blow on far past the place they had been sent. "Oh, yes, since he's cured half the herds and got paid six coppers for it, time for him to go, we can tell it as a story? And for events in times or places outside our own experience, we have. "No," Azver said, but could say nothing else. He held his staff of willow, but it was only wood in his hand. "Wizards don't teach women. You're besotted." "Of course not!" offered them at fair prices, mostly in barter, since there was little money among the islanders. He embraced them, and they him, and he left the house. she could not take in the names of the masteries, except that the Master Herbal was the one she set off up the rough path round the hillside to an old stone and brick stableyard, empty of. Her use-name had been Flag, the blue iris of the springs. Her mother and aunt called her Flag when they spoke of her. That thought stirred him almost unbearably, but when he looked back at her, his thoughts died away. with exaggeration, moving its huge lips and meaty tongue. thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not." His name. Otter pointed at the low slope that rose before them. "The King's House is there," he said. Gelluk's attention turned entirely away from him then, fixed on the hillside and the vision he saw within it. Then Otter could call to Anieb. At once she came into his mind and being, and was there with him. escaped him. "We have to finish the work here," he told her, and she looked at him mildly. All animals were
